### **Dr Dragan M. Manasijević**

University of Belgrade  
Technical faculty  
19210 Bor, Serbia  
Tel: +381 30 42 45 55  
Fax: +381 30 42 10 78  
E-mail: [dmanasijevic@tf.bor.ac.rs](mailto:dmanasijevic@tf.bor.ac.rs)

Dragan Manasijević was born in Bor (Serbia) in 1975. He graduated from the University of Belgrade, Technical Faculty, Department of Extractive Metallurgy in Bor in 2000. He received his M.A. degree in 2004 and Ph.D. degree in 2007 at the Technical faculty in Bor. Since graduating he has been working at the Technical Faculty in Bor as an Assistant on Thermodynamics, Theory of Pyrometallurgical Processes, Vacuum metallurgy and Metallurgy of Iron and Steel and since 2007 as Docent on Theory of Pyrometallurgical Processes, Vacuum metallurgy and Metallurgy of Iron and Steel.

His research interests are materials thermodynamics, computational thermodynamics, reaction kinetics, pyrometallurgical processes.

Dragan Manasijević is author and co-author of over 50 papers in international and national journals, and over 40 papers at symposiums. He is the co-author of two university textbooks.

He participated in European COST Action 531 on lead-free solders and COST Action MP0602 on lead-free solders for high-temperature applications.

He was awarded by the Serbian Chemical Society as the best young scientist in 2009.
